BONJOUR LES PARENTS!

This term we have been having fun on the farm. We have been introducing the children to animals on the farm with puppets, jigsaws and lots of toy animals! We have been learning the words and signs for the animals in the key words list. We've enjoyed making animal sounds, playing animal games, and learning animal themed songs, not to mention the fun we have had learning colours. If you would like to practice further at home don't forget to look up [livelylittlelingos](#) on facebook and like and we will post the songs we've been singing. À la prochaine.
 Until next time. Tonia & Agnès - Little Lingos.
